

MEMORANDUM FOR: General Carter

I think you might be interested in seeing what the magnitude of our logistics support to Projects [REDACTED] and [REDACTED] has been (attached).

I think you would also be interested in a remark made last week at the Counter-Insurgency School at Fort Bragg by Major General Rosson, head of the Army's Special Warfare Unit. He was high in his praise for CIA's ability to supply necessary items quickly and said that Army regulations were being rewritten to reflect the Agency's procedures in the fields of procurement, supply, and funding. [REDACTED]
